SPECIAL SUMMER EDITION!

AVERAGE SOLAR FLUX NUMBER FOR THE MONTH OF MAY IS 188.7

by Greg schatzmann, VE3GJS

THE TOWERS WENT UP WITH RELATIVE EASE, THE ACCOMODATIONS WERE COMFY, THE FOOD WAS GREAT, AND THE CONDITIONS ON THE BANDS WEREN'T ALL THAT BAD.... ALL IN ALL I'M HAPPY TO REPORT FIELD DAY '91 WAS A VERY SUCCESSFUL EVENT FOR THE NORTH SHORE AMATEUR RADIO CLUB! OH, I ALMOST FORGOT, THE WEATHER WAS ALSO GOOD.

THE FACTOR WHICH MAKES OR BREAKS FIELD DAY IS PEOPLE. THIS YEAR WE HAD THE BEST TURNOUT OF MEMBERS IN RECENT YEARS. WE EVEN MANAGED TO SIGN UP AT LEAST ONE NEW MEMBER ON SITE! BECAUSE OF THE NICE WEATHER THERE WERE ALSO QUITE A FEW MEMBERS OF THE GENERAL PUBLIC WHO DROPPED BY THE SEE WHAT WE WERE ALL ABOUT. NUMEROUS CLUB INFO PACKS WERE HANDED OUT, AND HOPEFULLY WE'LL SEE SOME OF THEM THIS FALL IN RICK'S CLASS.

AS FOR THE ACTUAL ON-AIR ACTIVITY, VE3NSR WAS ACTIVE ON FIVE BANDS.... 80, 40, 20, 15 AND, THANKS TO GLEN'S PEDAL POWER, TWO METERS.

AS EXPECTED, 20 METERS PROVED TO BE THE BAND THAT YIELDED THE MOST CONTACTS, AROUND 370. THE CLUB'S BEAM THAT WAS BROUGHT OUT OF RETIREMENT AND LEN'S COMPUTER SYSTEM SURE PROVED HELPFUL.

NONE-THE-LESS BOTH 80 AND 40 METERS WRACKED UP WELL OVER 300 CONTACTS EACH.

WHEN ALL CONTACTS WERE TALLIED WE FELL JUST 14 QSO'S SHORT OF THE BIG 1,000 MARK.

WE MANAGED TO SCORE A FAIR NUMBER OF BONUS POINTS THANKS TO EXTENSIVE MEDIA COVERAGE (OSHAWA TIMES, OSHAWA THIS WEEK, TORONTO STAR, CHOO RADIO), AS WELL AS CONDUCTING ACTIVITIES IN A PUBLIC ACCESS AREA AND, AGAIN, PEDAL POWER.

OUR FINAL SCORE, ACCORDING TO MY CALCULATIONS SUBMITTED TO THE ARRL, WAS 2,499 POINTS. WE MAY NOT WIN IN OUR CLASS, BUT A RESPECTABLE SHOWING ANYWAY!

A FEW QUICK THANKS YOU'S....NORM (YPQ), KEITH (GDF), RICHARD (RJB) AND JACK (can't remember ur call..sorry) FOR USE OF THEIR MOTORHOME/TRAILERS. TO LEN (SVD) FOR THE COMPUTER, RAY (OUB) FOR USE OF HIS RIG AND FOR DOING SOME OF THE LEG WORK DURING PREPARATIONS. TOM (BTR) FOR THE POWER TO RUN THE WHOLE AFFAIR, AND VELORA (ASH'S XML) FOR BREAKY (an amazing smorgasborg!). ALSO THANKS TO GLEN (LIZ) FOR TAKING THE TIME TO GET THE PEDAL POWER STATION GOING AND ESPECIALLY TO ALL WHO TOOK SOME TIME TO OPERATE OR LEND A HAND IN SETTING UP AND TEARING DOWN.

ALL IN ALL A PRODUCTIVE, EDUCATIONAL AND DARN FUN WEEKEND!

VE3CNE-----BE THERE!!!

THE NORTH SHORE AMATEUR RADIO CLUB WILL HOST THE VE3CNE DISPLAY AT THE HOBBIES AND CRAFTS BUILDING AT THE CANADIAN NATIONAL EXHIBITION ON SATURDAY, AUGUST 31st FROM 10 AM TO 10 PM.

FOR THOSE OF YOU WHO'VE TAKEN PART IN PAST YEARS, YOU ALREADY KNOW THAT IT'S A GREAT DAY. FOR THOSE WHO HAVEN'T, I CAN ASSURE YOU IT'S A GREAT WAY TO INFORM THE PUBLIC ABOUT HAM RADIO, OPERATE SOME FANCY EQUIPMENT, AND MEET WITH FRIENDS.

FOR THOSE WHO HAVEN'T ALREADY SIGNED, THE SHEET WILL AGAIN BE AVAILABLE AT THE CORN ROAST. IF YOU CAN'T MAKE THAT EVENT BUT STILL WANT TO TAKE PART IN VE3CNE, GIVE ME A CALL AT 576-4655.

ADMISSION TO THE CNE IS PROVIDED.

SEE YOU AT THE EX...
GREG SCHATZMANN VE3GJS.

OPEN LETTER FROM Vic, VE3LNX.

Hi Ed and Barb:

June 07 1991

I thought I should get this off to you as soon as possible and hope to catch your last bulletin for the summer, and sorry to hear that this will be your and Barbs last bulletin as well but I guess all good things must come to an end sooner or later.

Well summer is finally here and we have not had a single transmitter hunt yet unfortunately, but by the time you read this there should have been at least two hunts and possibly more. It seems that the old gathering spot Durham College parking lot has fallen prey to the mighty dollar and probably we would have to raid the piggy bank just to get into the parking lot say nothing of what they might want to let you out again plus GST Hi Hi.

At this point in time we will have to use the alternate location that we had in mind from last year Maxwell Heights Public School on the corners of Taunton Rd. and Harmony Rd. north east corners about 200' north of Taunton rd. Possibly at a later date we may find a better spot, but that seems to be fairly high and out in the open to hear those weak signals from the very wary foxes that we have.

I have not heard too much from all of those kit builders of the Doppler units, I guess they are so busy working on them that they have not gotten around to letting me know what is happening. The person closest to having his unit operational is VE3TIG Fred, but then I have not heard from too many more. I guess when all units get going we will have to have several large hunts just to keep every one in shape. Hope to have more news for the next bulletin (like a dozen or so units built and ready to go)

One last remark, we are going to try and have the hunts on Monday evenings at 6.30 pm until the days get shorter in an effort to accommodate those people who are not available on the weekends. There will still be a hunt on Sunday if enough people are interested, but at this time I will concentrate on Mondays evenings. Any one who wants to know more about any up and coming transmitter hunts give me a call at 983-5831 any time in the evening any you may be lucky enough to catch me at home or you might try VE3NAA on 443.000.

FOX HUNT

IF WX IS QUESTIONABLE, CHECK IN ON VE3 OSH. TALK IN ON OSH.

THERE ARE MANY PAST METICARS OR OT'S WHO WOULD
ENJOY THIS GALA/EVENT. TRY TO BRING ONE OR MORE ALONG.

August 1991

Well folks, that's it! Sorry for being so tardy. I hope everyone gets this in time for the corn roast. What with holidays and stuff I really cut it close this time.

HOORAY for Vic! Vic Dotey, VE3LNX has volunteered to take over the snooze letter, starting with the September issue. We all know Vic. He is at most meetings, every flea market and does quite a bit of building and operating. He has an up to date computer which he will put to good use for the bulletin. With the exposure that Vic has with club activities the old Snooze Letter will have a little more oomph to it. Perhaps now and then I can submit a few goodies too. Thanks to all the guys who sent in items for the bulletin. Your help was golden!

S"LONG EVERYBODY,
VE3FRM.
